The 1st "Tour du Mont-Blanc Erasmus+ student trail" is an initiative that aims at promoting both physical activity & international mobility, and developing young people's sense of belonging to Europe.

In line with the construction of European Universities, Université Savoie Mont Blanc wants to gather students from 10 different European countries who will take part in a trail around the famous Mont-Blanc which crosses 3 countries.

Working in multicultural teams, students will be challenged physically as well as intellectually, setting up projects on their dream European University of the future. There will be prizes to be won!

HOW TO APPLY?

1

Fill in the short **QUESTIONNAIRE** through the following link:
